

Accessing Recorded WebEx Session

Title: WebEx Session Regarding SB 1

1. Click on link:

<https://kde.webex.com/mw0302l/mywebex/default.do?siteurl=kde&service=7>

2. In the left-hand navigation bar, under Attend a Session, click on **Recorded Sessions**.
3. Wait for WebEx application to load.
4. Select the recording “WebEx Session Regarding SB 1 five” (Presenter: Rhonda Sims) by clicking on **Playback Button** () to the far right.
5. Enter password **KDE_oaa** when prompted.
6. If the Network Recording Player needs to be installed, then it will automatically install before the session begins.

7. Click the four buttons at the upper right-side of screen  to display the Chat, Video, Participants, and Table of Contents panels.

8. There is a 2:30 lead-in to the recording. To start immediately, move slider to 2:30 mark and proceed.
